

Press Release – 22nd December 2008

BULGARI

BULGARI Select TDS to Implement CoreTime

Bulgari have selected TDS' Time & Attendance Solution for their comprehensive Time & Attendance requirements.

For over a century Bulgari have been leading players in the Global Jewellery Industry, with 50 companies in 24 countries and 236 stores worldwide. The Bulgari Group is a true success story; it operates coordination activities in product development, marketing, finance, information systems and management of human resources.

A distinct advantage for Bulgari was the ability to reduce costs while increasing efficiency. **CoreTime** will facilitate Bulgari in achieving both these objectives through the implementation of TDS' **CoreTime** solution. **CoreTime** would provide cost efficiency by automating management of employees Time & Attendance thus reducing the burden on management. The **CoreTime** solution accommodates all Time & Attendance requirements including time in lieu, absence management, holiday management, EU Working Time Directive and annualised hours. The **Kaba** B-Net 9320 Time & Attendance Clocks which fully integrate with the **CoreTime** Solution make the complex Time & Attendance procedure fully automated.

TDS is a leading supplier of Time and Attendance and Enterprise Wide Access Control Solutions.

This contract further strengthens TDS Ltd's position as a premium provider of cutting edge solutions to leading organisations.

BVLGARI

A key feature for Bulgari was the ability to reduce costs while increasing efficiency. TDS facilitated in achieving both these objectives through the implementation of the **CoreTime** solution.
