Press Release – 27th March 2007
Cemex

Cemex Implement TDS' SAP Time & Attendance Solution In The UK & Ireland

Cemex have selected TDS' SAP Certified Solution for their Time & Attendance requirements throughout the UK and Ireland.

Founded in 1906 Cemex has grown from a small regional cement firm into a top global building solutions company. Cemex employ 1027 people in operations, comprising of 44 concrete plants, 23 aggregate plants, two cement importation terminals, 16 block-yards, as well as offices throughout Ireland, the Isle of Man and Britain.

Cemex selected B-COMM for mySAP ERP software to link with B-Net 93 20 Kaba Time & Attendance terminals. The key feature of this application is the SAP certified interface which ensures faultless data transfer between the individual SAP modules and the Kaba data collection devices.

A key requirement for Cemex was the ability to remotely manage the data collection devices, which are located in 29 sites throughout the UK and Ireland. The interface is continuously adapted to the latest standards paralleled with new SAP program developments.

For more than 15 years, TDS team members with extensive expertise and knowledge of SAP solutions and the technology of Kaba terminals, have successfully completed similar installations for leading global organisations including Braun, Shannon Aerospace, Jurys Doyle Hotel Group, Kostal and Oral B.

This contract further strengthens TDS Ltd's position as a leading provider of Kaba Benzing / SAP Time & Attendance solutions.
