Press Release – 20<sup>th</sup> November 2008

## Cork City Council

### Cork City Council Selects TDS Ltd's Time & Attendance Clocks

*Cork City Council have selected **TDS' Kaba Hardware** to cater for their comprehensive **Time & Attendance requirements.***

Cork City Council provides an extensive range of services to the 123,000 citizens of Cork City. As a public service organisation Cork City Council aim to improve the quality of life within Cork and take control of the communities' needs and requirements.

A key feature for Cork City Council is the **B-Net 93 20** Clocks with their appealing design and ease of use. Equipped with Graphic LC display, 5 function keys and a mailbox option make these the ideal terminals for the Council's unique time recording needs.

The Kaba **B-Net 93 20** devices for Time & Attendance are fully integrated with **CoreTime**. This solution provides the council with a clear picture of employee time management through detailed reports on attendance & absenteeism. Its ability to summarise and present these key time and attendance reports contribute to the solutions success.

The proposed Kaba hardware utilises Cork City Council's existing HID card technology thus providing a single card approach.

This contract further strengthens TDS Ltd's position as a premium provider of cutting edge solutions to public organisations.
