Press Release – 13th June 2008

Kerry County Council

Kerry County Council Implements TDS Ltd's Time & Attendance Hardware

Kerry County Council have implemented TDS' Kaba Hardware to integrate with CoreTime and provide a complete end-to-end solution to their Time & Attendance needs.

Kerry County Council is fully committed to serving, enhancing and developing the attractions and amenities of the County for all those who reside in, work in, or visit County Kerry.

A key feature for Kerry County Council of the **B-Net 93 20** Terminal was its appealing design and ease of use that made it the ideal terminal for the Council's time recording requirements. All standard features such as In, Out, Official Absence, Balance Query and Special Functions are covered by its five function keys with coloured icons.

TDS currently print Kerry County Council's ID Cards through our bureau service. The proposed hardware fully integrates with the Council's existing ID card providing for a single card to be used for Time & Attendance and other 3rd party applications.

The Kaba Clocks are fully integrated with the **CoreHR** solution which has been implemented in Kerry County Council under the Local Government Computer Services Board (LGCSB).

This contract further strengthens TDS Ltd's position as a premium provider of cutting edge solutions to the public sector.
