Another Leading Organisation Select TDS' SAP Solution

KOSTAL a leading provider of electronic and electromechanical products have selected TDS to implement the fully integrated Kaba / SAP solution for Time & Attendance and Access Control.

The KOSTAL Group is an independent, family group which was founded in 1912. The Group's main activities include the development and manufacture of technologically advanced electronic and electromechanical (mechatronic) products. Many famous industrial companies including all the world's leading automobile manufacturers and their suppliers feature in the Group's customer base.

For more than 12 years, **Kaba** has been supplying state-of-the art subsystems for connection to **SAP Solutions**, totalling over 700 installations world-wide, utilising the B-COMM for R/3 ERP communications software. **TDS** have now successfully completed over 12 **Kaba / SAP HR** installations including Braun, Beru AG, Littelfuse, Shannon Aerospace and Oral B.

This contract further strengthens TDS Ltd's position as a leading provider of Hardware and Software solutions for Time & Attendance, Access Control, Security, Human Resource and Employee Self Service.
