Procter & Gamble Select TDS' Kaba / SAP Time & Attendance Solution

Procter & Gamble (P&G) has selected TDS' Kaba SAP Certified Solution for their Time & Attendance requirements.

The P&G community consists of over 138,000 employees working in over 80 countries worldwide. What began as a small, family-operated soap and candle company now markets more than 300 branded products of superior quality and value to consumers in over 180 countries. P&G's world headquarters is located in Cincinnati, Ohio, U.S.A. P&G is a publicly owned company. Its stock is listed and traded on the New York and Paris exchanges.

P&G selected B-COMM for SAP ERP software which links the SAP ERP solution to the Kaba B-Net 9430 device for time recording. The interface is continuously kept up-to-date by means of new SAP programme developments. With a large number of useful add-ons in the new Kaba B-Comm for SAP programme e.g. Alarm Viewer, Visitor Management, Time Statement, Booking Monitor, etc. the proposed solution offers P & G additional functionality beyond standard time & attendance requirements.

The proposed solution is utilising P & G's existing magstripe card technology.

For more than 15 years, TDS team members with extensive expertise and knowledge of SAP solutions and the technology of Kaba terminals, have successfully completed similar installations for leading global organisations including Braun, ESB, Shannon Aerospace, Jurys Doyle Hotel Group, Kostal and Unipharm.

This contract further strengthens TDS Ltd's position as a leading provider of Kaba Benzing / SAP Time & Attendance solutions.
