Press Release – 19<sup>th</sup> August 2008

## Westmeath County Council

### Westmeath County Council Select TDS' CoreAccess

**Westmeath County Council have selected TDS' CoreAccess Solution for the new County Headquarters Building.**

Westmeath County Council has selected the **CoreAccess** solution to control the physical access for employees, visitors and contractors into their new Headquarters building in Mullingar.

The first meeting of Westmeath County Council was held on 22<sup>nd</sup> April 1899. Over the course of the last century the brief of the Council has expanded and has now been given a broader remit, including (a) to support community involvement with Local Authorities in a more participative local democracy and (b) to enhance the role of Elected Members.

A key feature for Westmeath County Council was to deploy a comprehensive Enterprise Wide Security Management system. Combined with the leading edge **Kaba Benzing Hardware**, **CoreAccess** provides a seamless and unobtrusive solution to all the Council's on-site security and safety needs.

The Council have also selected the fully integrated **Kaba Time & Attendance clocks** to cater for their extensive Time & Attendance requirements. This will ensure a single integrated solution for all Access Control and Time & Attendance requirements.

Westmeath County Council has selected the Mifare Card Technology. The Council have selected TDS **CoreBadge** solution which provides for the printing of employee, visitor and contractors cards onsite.

The **CoreAccess** solution is fully integrated with the **CoreHR** solution which is being rolled-out to all Councils.

This contract further strengthens TDS Ltd's position as a premium provider of cutting edge solutions to the public sector.
